Early Learning Developmental Screening

Children birth to Age 5

Please call now to make an appointment for your child.
Screenings will be held Friday, April 27

If your child will be **3, 4, or 5 years old** on or before August 31, 2018 you may pre-enroll them in our PreK or K program provided by the district.

Any child birth to age 2 is also encouraged to schedule an appointment for the developmental screenings. Please call the school office at 437-2918.

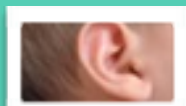

VISION

Your Child's vision will be screened quickly with state of the art technology.

HEARING

Hearing tests will be offered by a School Nurse.

DEVELOPMENTAL

Developmental checks for your child's specific age.
