K – 2nd	
	<b>Addition Top-It:</b> McGraw-Hill’s Addition Top-It game offers a quick and easy way to practice and reinforce basic addition facts (0–10) and number comparisons.
	<b>Splash Math:</b> Splash Math is a fun and innovative way to practice math. Different app for each grade level.
	<b>ScootPad:</b> ScootPad is the ultimate way to engage kids in mastering Common Core Standards and Concepts in MATH & READING with personalized, self-paced and stimulating practice. Kids love ScootPad!
	<b>Name That Number:</b> This game offers a fun and easy way to practice computation and order of operations.
	<b>Tric-Trac:</b> This game offers a fun and easy way to practice addition facts. This is a competitive two-player game.
	<b>Sound Sorting:</b> Kids match words that share the same beginning sound! Children just “grab” fun picture balls and drop them into the correct spots on the board.
	<b>Phonics Tic-Tac-Toe:</b> Children build language skills in a fast-paced game of tic-tac-toe! Fun, interactive game explores vowel sounds, syllables and more.
	<b>Magic Alphabet:</b> Spelling is fun and easy with ABC Spelling Magic. Teaches the sounds of the letters and how to build words.
	<b>Wake The Rooster:</b> This game will teach your child how to tell time from an analog clock in a fun, interactive manner. The child is encouraged to set the alarm for the rooster and is rewarded by beautiful animations whenever the alarm is set.
	<b>Monster Squeeze</b> game reinforces number recognition and offers a quick and easy way to practice number line concepts and number comparisons.
	<b>Chicktionary:</b> Unscramble a roost full of LETTERS and create as many WORDS as possible. Each chicken bears a letter. Touch them to and spell out a word, then watch as the word appears.
	<b>Interactive Telling Time Lite:</b> Discover an easy and fun way to learn analog/digital clocks.
	<b>Intro to Letters, by Montessorium:</b> Learn to trace, read, write and record letter sounds, names, and phonograms, based on the proven methodology of Montessori.
	<b>ScribbleBeard:</b> Your child draws and their drawings come to life! Join Oscar, Josephine and Pirate Scribblebeard in this groundbreaking, animated, drawing app that encourages creativity!
